

SAMA open day

21-24 JUNE 2022

visit our headquarters in Weissenstadt

CERAMITEC 2022 WILL OPEN
ITS DOORS ON JUNE 21ST.

During this event we invite you to visit
SAMA and its R&D Center, the assembly
hall, the tool and resin mould department
and the membrane and lining
development & production department.

We will show you the state-of-the-art
technologies relevant to:

- Pressing
- Fetting
- Pressure Casting
- Glazing
- Polishing
- Firing
- Handle Casting
- Tooling

At the end of the visit we are glad to invite you
to stay with us and enjoy a friendly lunch!
